

Academy 4 Enrichment (A4E)

Expert in Test Preparations

703-679-PREP

Starting AOS/AET/TJ Prep Course from Jan 6th 2017

The Academy 4 Enrichment is starting a **new** AOS/AET/TJ Prep Session on **Jan 6th**, 2018 for **7th Graders** who are preparing for these High School Admission Tests.

AOS/AET/TJ Prep Course Details

When you register for a **weekend Math/English class**, you are automatically enrolled for the weekday writing/science class, and online math class. You can sign-in or opt out the 1-1 writing class until you ready.

Class	Class Details
Weekend - Math & English Class	Students attend two-hour class on either Saturday or Sunday. It is an hour for Math and an hour for English. Covers PSAT & TJ Reading, Writing and Math concepts.
Weekday - Writing & Science Class	Students attend another two hour class on a weekday every other Monday or Wednesday depending on their class location. Students who attend class on the first week of the month, come back the 3 rd week, and students who come on the 2 nd week of the month, come back the 4 th week.
1-on-1 Writing Class	1-1 writing session helps students to get ready for second cut exams: <ul style="list-style-type: none"> • AOS Essay & new Interest Statement • AET Essay Prompt/Interest Statement • TJ Essay Problem and SIS Questions. <p>*** Though 1-1 sessions are expensive as it compared to 3-on-1 but it is hard to fulfill the AOS/AET/TJ admission criteria without a personalized Instruction to discuss the individual students interests and skills</p>
Online Math Class	Students attend the following sessions every Thursday. During this live instructor LED interactive online session, teacher will go over and teach every homework problem in the packet.

Who is Teaching?

Our classes are taught by highly qualified and certified high school teachers, many holding Ph. D, who are experts in solving PSAT/SAT/TJ type problems in Math, Science and English.

Homework Policy

It is **mandatory** to complete the **homework** and return back to the center. Our staff will grade the homework and return the graded packets back to the student. Math homework problems are also reviewed in the online class on Thursdays. Any questions from the English homework can be answered in the class.

Weekly Tests (Quizzes)

Students are given QUIZ packet each week. Student will answer quiz online and get their scores each week. So that parents can see the student scores and detailed analysis during the entire course.

Placement Test

Placement test is required to take so that we can place the kids into differently paced sessions based on the student skills. Each time slot mentioned above have multiple sessions based on the student's pace evaluated from the weekly tests.
